

ART IN THE LIBRARIES
Request for Funding from the Governor Wentworth Arts Council

To Library Director

The Governor Wentworth Arts Council recognizes the important role that our community libraries play in the lives of our residents in providing literary, educational and social resources that enrich our lives. We wish to help support your efforts which are often limited by budgetary constraints. Therefore, GWAC is reserving \$150. For each town library within the Governor Wentworth Regional School District, to be used for arts-related activities or books.

Only you know how the money can best serve your needs, whether it is to increase your collection of art books or magazines, to purchase arts-related CDs or to fund preschool or student programming (ie. Storyteller, puppeteer, etc.). We would appreciate knowing how you plan to use these funds.

To receive your funds, please fill out the information below and return this form to:
